DISCOVER THE BENEFITS

WHY IT MAKES SENSE FOR YOU

An automated garage door is the response to your need for practicality and convenience. Forget the bother and effort of having to lift heavy doors: with ET Nice, you can open and close your garage door hassle-free.

YOU'RE HOME AT ONCE

An automated garage door makes everything easier. No more hassle of having to open and close it manually, Nice takes care of it all!

COMFORT AND SECURITY

ALL IN A CLICK!

RAIN, COLD, SNOW?

An automated garage door opens and closes on its own, while you stay in the car, comfortable and warm.

GET HOME LATE?

With an automated garage door, your home becomes more high-tech and more secure.

ADD MORE VALUE TO YOUR SPACES

WHY ET NICE?

WHAT YOU CHOOSE WHEN YOU CHOOSE ET NICE

TECHNOLOGY

TECHNOLOGY

Nice and ET Nice R&D divisions are staffed by a highly-specialised international team who work constantly on developing increasingly innovative products: every day at the Nice labs, rigorous and accurate tests are carried out, using technologically advanced procedures and the latest instruments, so as to guarantee the highest technological and quality standards.
